

Kick-off Meeting

25 th October 2013

Objective: the major purpose of the kick-off meeting is to define (i) work plan and (ii) cooperation strategy. All WP leaders and project partner will contribute to achieving this objective, by presenting, discussing and finalizing the research strategy.

Specific objectives of the kick-off meeting:

- ↳ Restating the objectives of TRUSTEE
- ↳ Establishing a good understanding of deliverables for each WP and Task
- ↳ Identifying interactions, especially in data
- ↳ Defining a work plan for the first year

8h30-9h00: Welcome-Participant presentation

9h00-9h15: Presentation of the project objectives and main deliverables
(Cécile Détang-Dessendre)

- ▶ Project objectives, WP organisation (Consortium, WP) (15 mn)

↳ *Coordinator:* Cécile Détang-Dessendre

9h15-10h45: Common starting points

- ▶ Global drivers of land use: Capri model (Petr Havlik, 15 mn)
- ▶ Ecosystem services bundles (Muriel Tichit, 15 mn)
- ▶ Regional development policies: designs and evolutions (Ewa Rabinowicz, 15 mn)
- ▶ Presentation of ODR: tool for data administration (Eric Cahuzac, 15 mn)
- ▶ Discussion 30 mn

↳ *Coordinator:* Alexander Gocht

10h45: cafe

11h00-12h30: Group session

Objective: Building common knowledge. Discussion of the deliverables. First stage mapping: the first year. Address agenda, articulation with the other WP, exchange needs, meeting planning

- ▶ WP4 ecosystem services (*Coordinator:* Muriel Tichit)
- ▶ WP2 and WP7: land use models (*Coordinator:* Yves Sury)
- ▶ WP3 and WP6: rural development and policy analysis (*Coordinator:* Anne Margarian)

▶ WP5: geo and spatial data analysis: ESS and rural development (*Coordinator: Jean Christophe Bureau*)

12h30-13h45: Lunch

13h45-14h45: Report of the group session

Objective: In plenary session, sharing targets of the different WP. Report prepared by WP leaders (WP2 to WP7)

14h45-16h00: Data strategy

- ▶ The type of **case studies** depending on the question. First thinking to choose some common areas. (Preparation of the discussion: Anne Margarian, Muriel Tichit, Mohamed Hilal)
- ▶ **National database:** Which spatial scales? NUT2? NUT3? Others? Database management (Preparation of the discussion: Eric Cahuzac, Ewa Rabinowicz, Peter Witzke)

Preparation: What is a case study for your research question? The size? The choice criteria?
15 mn intro for each point

↳ *Coordinator:* Muriel Tichit

16h00-16h15: Break

16h15-17h00: Common tools

- ▶ Data availability: implementation of common space in ODR
- ▶ Development of the web site with reserved space to share information
- ▶ Agenda of the WP meetings

↳ *Coordinator:* C. Détang-Dessendre

17h00-17h15: Summary, conclusion and setting up the agenda
